Welfare Report: Janis Treacy filled in for our Welfare Officer. She reported that June Webster is very unwell in hospital. It is hoped she may be able to return home soon. Janis asked that members let her know if any member is unwell and she will phone and report to the next meeting.

Members Rep: Bev Shoobert: It is a while since we have been together, and it is great to see so many members here today. We especially welcome our new members and visitors. It is great to see so many smiling faces at our meeting. I won't be attending Xmas in July this year but recommend it as a great trip.

NSW Rep: Nothing this month

President's Report: Joan still on WA Trip with friends, due back for June meeting.

General Business: Chris Knight asked on behalf of our Editor for any articles for the Newsletter, particularly a report on the Hartwood Festival.

Janis thanked all those members who have made donations for the Raffle in aid of the John Hunter Children's Hospital. Tickets will be available at the June meeting. Cost \$5.00 for 10 tickets.

Ian Palmer has suggested men might bring along something they have made to talk about at the meeting.

Bill McConville has a Portable Water Tank for sale \$60.

Debbie Latham suggested that members might like to purchase an "Emergency Medical Information Booklet" which costs \$2.00. It comes in a wallet sized plastic pouch, has 4 pages in the folder which are Patient Information; Patient Medications; Medical Conditions; and Service Provider / Patient History. These booklets could be in your car, handbag, caravan etc.

The Secretary will investigate a bulk purchase with an order form to be signed by members at the next meeting.

Our Guest Speaker this Month was Margaret Pearce from Elsie's Retreat Project. Margaret was able to give those members who had not heard of this wonderful program background information on its establishment and achievements. It is wonderful to now have a Palliative Care Unit in construction at Wyong Hospital as well as the Gosford Unit. Funding is a battle as at the change of State Government, funding promises died with the change of political party. The fit-out and equipment is being funded by the Elsie's project through the Lions Club of Wyoming-East Gosford. All donations gratefully accepted. TLC donated early this year. Thanks to Margaret for speaking to us.
