Social Director's Report

First of all Sandra and I would like to thank everybody who attended the Christmas in July rally with a crowd of 77 members. I feel we did a wonderful job of looking after each other by having temps taken daily by Fay, sanitizing every time we gathered and social distancing.

Special thanks to Mike Collins who provided a large shelter for us, and Norm Moore for doing a wonderful job organizing disc bowls. With so many members entering it ended up a long day starting at 9.15am and ending with the finals at 4pm. Congratulations to those who won.

Our next rally is Melbourne Cup rally which will be held at Cessnock. Our luncheon for this event is going to be held at Blue Thai restaurant which is near the office as you drive in. **It will be in the form of a 5 course banquet at the cost of \$30.00.** Can you please make this payment as soon as possible to Lorraine, as we need to confirm numbers? I am lead to believe that all sites have gone. So if you are not staying at the park but are within driving distance and would like to come to the lunch, please come and enjoy the day. Let us know by paying for your lunch and don't forget to put your name as reference if you are paying directly into the club account. We will also be organizing a drive visiting some vineyards and Pokolbin village on one of the days. If you were at last year's Melbourne Cup rally you may remember us doing an auction of the horses for the Ian Insull Cup with the money raised going as prizes for 1st, 2nd and 3rd and we will be doing that again along with the usual horse races and sweeps. **Lorraine Laney has asked that everyone pay \$30.00 per person for the lunch via direct deposit or go into a Greater Branch and deposit your payment. When making your deposit please make sure you put your name and Melbourne Cup lunch.**

As you all know Cessnock will be Sandra's and my last rally. With the AGM next month please consider standing for the position and we will only be too happy to show you what we have done and what to do at the Cessnock rally. That will prepare you for the next rally which, due to demand, is being held at Urunga in March.

REMEMBER if you don't have a social director you may, or may not, have rallies.

Till we meet again stay well and safe travels.

Janis and Sandra

General Business

As there were not many members in attendance today it was decided to change the value of the raffle prizes to 1st \$35.00, 2nd \$25.00, 3rd \$15.00.

Janis Treacy advised that as she has not been able to go to JHCH so she is waiting for someone to come to her house to collect all the items that she has purchased. Janis did advise that she was sure they would be very thankful.

Fay Thomas received an email from Blue Ducker thanking everyone for their kind words, calls, cards and prayers. Blue also included an ode that Peter Flippence had written for them. She will pass them onto Leonie Collins to put into the newsletter.

John Knight advised that we are unsure as to when we will have our next meeting which would be our AGM. As we don't know what will be happening, it has been decided that the present committee will continue, which is the same as NSW Caravan Association. We know that there are a couple of positions that have to be filled but this is something that the committee will do at a later date.

Fay Thomas has advised that her husband would prefer that members only call between 9:00 – 4:00 Monday to Friday (she will answer outside these times) but if you need to contact her out of these times please send an email. If you are calling please make sure that you call her mobile.

Chris Knight asked members if they are thinking of going away perhaps they should put a trip sheet on the board as other members may like to join them. We all know that it has been hard this year but we only have one trip organised for next year, so put your thinking caps on and find interesting places to go.

John Knight also acknowledged our newest member John Cook who arrived at the meeting today. Welcome John.

Meeting Closed at – 1:35 pm
