General Business

No General Business was brought forward.

Jan Ryan spoke to the meeting and urged the group to attend Hartwood Campfires and Country Music. She emphasised that if we don't get improved numbers attending we are likely to lose the privilege of the building we have there. No other group has anything like it.

Christine Knight spoke about the Good Old Days trip she and John are putting on 29th September to 9th October. The last time TLC attended was 2019. The festival is at Barellan with probable stay at Narrandera which is only a half hour away.

Their other trip is the Broke/Bulga trip at the end of the February. Both places have toilets, Bulga has a dump point and an excellent undercover BBQ area.

Terry Fraser addressed the meeting to speak about the Victorian Trip that a group of Members took in October 2025. Terry described the country side as absolutely spectacular, especially the wonderful trees. Unfortunately a lot of the area travelled has now be devastated by bushfires. A small group but a great time.
