

# Tuggerah Lakes Caravanners Inc.

## **NEWSLETTER No 24 - July 2008**

### **Committee of Management:**

**President** Des Cooper 43933383,  
**Vice President** Mike Wildman 43973111,  
**Social Director** Betty Lambert 43247049,

**Secretary** Katie Patterson 43905658,  
**Editor** Alice Cooper 43933383,  
**Welfare** Laurel Curnow 43695954,

**Treasurer** Robyn Rigger 43328539  
**Tour Director** Clarrie Stevens 43692759  
**Halekulani Rep.** Lloyd Purnell 43571022

**Membership Renewals:** The 30<sup>th</sup> June was the end of the TLC financial year and all memberships should have been renewed by that date. The **2007 Annual General Meeting** approved that membership fees would be \$10 to join and \$10 per person for the full financial year. **Members have until the 31<sup>st</sup> July to renew their fees. As from the 1<sup>st</sup> August their membership will cease.**

**Membership Guidelines;** The Committee at its May meeting reviewed the draft TLC Guidelines and approved that the guidelines be presented to members at the June general meeting. That a copy be sent with the June Newsletter to all members so that the matter can be listed for discussion and approval at the July general meeting.

**Entertainment Xmas Dinner:** The June general meeting was advised that we will organize our own entertainment for the 2008 Xmas Dinner with Xmas carols to start at 11am. With our own sound equipment we should have a great days entertainment. (Des has Slim Dusty CDs ready) The entertainment (music) will be in the hands of our Vice President Mike Wildman.. Lloyd Purnell our Halekulani rep has been negotiating a suitable timeframe for our dinner. It started out we would only have a couple of hours but at the June meeting Lloyd announced we can stay until after 5.00pm if we wish. So it looks like a long day

**Trips:** A quick count of trips show that we currently have seventeen trips listed on the board. That being eight (8) trips left this

year and so far we have nine (9) trips listed for 2009.

**Petrol Discounts:** Barry McGowan and Bob Lalor suggested we look at avenues for club members to receive a petrol discount card. Below are two cards that we have found and this is the latest situation however we are still looking around. If you have any suggestions give us a ring.

**Woolworths Petrol Card:** Woolworths will give you a free petrol card that provides you 4c a litre discount. This eliminates the need to run around with Woolies shopper docketts. The best part is that after you have registered online then at your **FIRST** fill up you will receive 10c litre discount. We filled up with 100 litre and received \$10 off. After the first fill the card reverts to 4c discount

**BP Discount Card:** This card will give you 3c a litre off the 10% Ethanol petrol. To apply for a card just ask at any BP Station or ring their Head Office.

**Naked Caravanners:** While surfing the Net I came across a story about caravan parks that are nude parks???. The story then continued and I quote *"Be warned that these portals of information often include image galleries — don't be surprised if Nana and Grandad appear on the screen in front of you, happily enjoying a cuppa outside their campervan in all their pleated and wrinkled glory"* end of quote. Mmmmm!

**Web Page:** There was general discussion on the **creation of our club Web page**. The Committee of Management at its May meeting approved the Opening page and the Members only page that had been created by Margery Fabien. It was agreed that we proceed with establishing a Web site consisting of the Opening page and Members page. The President confirmed that no member would be identified from the pages on the Web

**Wyong Golf Club Lunch:** What a lovely lunch with such a beautiful outlook. All our members (sitting behind glass) gave free advice as they watched the ladies tee off the 15<sup>th</sup>. We (18) members gathered at 11.30am had lunch, sweets and coffee and were still there at 2.30pm. It was really a mini club meeting day there was a lot of talking and we were the last to leave the dining area. In fact I think the staff had all gone.

**Meeting Point:** When on a trip it is essential that **all** members agree to a meeting point in the park and that **all members who are available** meet at that point at 10.00am and 4.00pm for morning and afternoon teas and drinks. This is when we plan/brief on the days outing or the next day's activity **This also prevents the trip breaking into separate groups**

#### **NSW CHANGES IN ROAD RULES .**

Long vehicles entering and exiting roundabout: A vehicle may now enter and exit a roundabout in either lane or both lanes if all of the conditions below are adhered to:

The vehicle is 7.5 metres or longer (including any load or projections).

The vehicle displays a 'do not overtake turning vehicle' sign.

The vehicle is within 50 metres of the nearest point of the roundabout.

It is not practical for the driver to leave the roundabout more than halfway around it from within the right lane or less than halfway around it from the left lane. Drivers must give way to vehicles entering or exiting the roundabout that are in accordance with this rule.

**PENALTY:** Two demerit points and a \$189 fine. ( *Published June 2008* )

**Xmas Dinner Menu:** We have requested Lloyd Purnell to have the Halekulani club prepare a couple of different Xmas Dinner Menus so that members can decide in July/August the preferred meal.

**Mobile Phone List:** An updated Mobile Phone list was sent out with the June Newsletter. We have had a lot of corrections/changes additions to the

document. At the end of August we will send out hopefully a FINAL correct sheet. So please check your number and any other members number that you know is correct.

**How Old Are Your Tyres:** How much would it cost to replace your rig if you lost it due to a blowout?. On our recent trip to Beechworth we had a blow out on our van. Whilst the tyre was being replaced at Albury we were advised that although the tyres had only travelled 1000k in 4-5 years they were deemed to be too old and should be replaced anyway. On NBN ACA show on the 14/5/2008 the Editor of Wheels Magazine presented a story about tyres. I spoke to a friend in the business and he confirmed that he also caught the program and agreed with everything that was said. To tell the age of a tyre look for a group of numbers stamped on the side wall. Looking at three different examples say 2406, 1404 and 189 and they mean respectively the 24<sup>th</sup> week of 2006, the 14<sup>th</sup> week of 2004, and 18<sup>th</sup> week of 1999. This last example (189) is a nine year old tyre and this tyre should be replaced immediately. This really includes any tyre that is more than 4 years old. The tyre stamped 1404 is also on the borderline for replacement. Over time the rubber will dry out and go hard and then when used at highway speeds will generate enough heat to destroy itself. (ie;cause a blow out). It was stated that any tyre over 4 years old regardless of condition should be replaced NOW. It was also stated that it is illegal to sell and fit second hand tyres. But if purchased from a dealer say Bob Jane or similar organization the tyre would have been inspected and deemed road worthy if

offered for sale and this practice is NOT considered illegal. *Ken Cooper*

**Email Addresses:** A few members have suggested that we provide members with a copy of club members email addresses. The Committee of Management discussed this matter and determined that at this time they saw no need to publish more than members Mobile Phone numbers.

**September AGM:** The election of club officers will be held at the AGM in September. All members have now received a copy of the Nomination Form.. We need you to give serious thought to taking up a position.

**Central Coast Caravans** (Spares, Repairs and Service) We had occasion to need the services of Cameron Cole of Central Coast Caravans to repair our caravan recently. We visited him last November while we were at Norah Head and he drove out to see what needed to be done rather than taking the van to him. He had a lot of work on and we were busy travelling so it wasn't repaired until recently. We were impressed with his professional and friendly attitude. He was very clear about what work needed to be done and how long it would be. If A-VAN had not mixed up the decals we would have had it back on time. Most people know we live on the South Coast and previously we had tried to get some work done on our van down our way. We didn't hear back from the company so when we needed repairs again we didn't hesitate to contact Cameron even though we had to travel all the way to the Central Coast. Our repair was an insurance job and we also had the caravan serviced

while it was there as we are off to the Outback. We were not charged for the service as Cameron stated that the first service is free. We are very happy to have our caravan back looking good as new. *The Beasley's*

**Narrabeen Rally:** Currently we have 63 vans registered to attend our Narrabeen Rally. The Committee decided that due to the numbers attending and our proposed activities that we will need more space so they have approved we book a larger marquee.

**Shirts Purchase:** The June meeting was advised that we will not be purchasing shirts from Morrisett from this date. Any member wishing to purchase a shirt/hat/jacket should contact our "Hat Man" Graham from LG Apparel who continues to attend each Sunday. Graham is a mobile service so we will not need to drive to him. If you wish to purchase a product Phone.4342 7326.

**Wearing of Club Shirts:** We have had a lot of new members join since we last published details re club shirts. This is a reprint **Club Uniform:** In our early club formation it was agreed that we are not a uniform club. That is we do not need to buy and wear a uniform shirt to meetings. We agreed that the uniform is mainly for State and National Rallies. We also agreed that we may wear our shirts at our own club rallies/trips/meetings and social outings. The need to purchase a shirt or not is your decision. I must comment on our choice of uniform they really look smart. I have had lots of comments from other clubs.

**Booking In Process.** We need to assist Caravan Parks with our booking in process. Currently a trip is placed on the notice board and members place their name on the list as intending to attend. The list is then published in the Newsletter. Members are then required to ring and book themselves into the park and pay a deposit if required. This is the key to your booking if you ring and book early you will be located close to the trip leader, if you wait till last to ring in then naturally you will be further away

**Major Raffle M & G:** Wow!!! what a lot of prizes in the M & G Raffle. We have four great prizes plus about 14 other runner up gifts. We now have 31 vans booked in to attend and we expect the final figure to be about 40 vans. Remember there is plenty of power to keep your van warm day and night. Also we have a big entertainment area which we can heat so we will not be cold. Being in Cessnock in the winter may be fun –just like Xmas in July. Remember this is the start of the M & G in a new home what we do this week will set a standard for future years. Already people behind the scenes are preparing activities. So do not miss out be there for the start.

**Training at M & G:** It was proposed at the Morrisett M & G that we start a safety course well this may occur at Cessnock if you wish. If you wish to receive some reversing guidance advice please ring.....

**Trial Emergency Contact:** On two occasions so far we have needed to contact all members with an important message  
1 Cancelling the June 2007 meeting

## 2. Cancelling Morrisett M & G

As the majority of our members have Mobile Phones we are going to trial sending a SMS message. We have loaded all mobile numbers in our phone under a Group Heading. This will only be used for urgent matters.

**Xmas in July:** The late news is that at the M & G Cessnock we will have a Xmas in July night on the Saturday night. Remember this is the community meal night when every van needs to bring a dish/container of food to supply say three people. The committee will provide the rest. Members in attendance will be fully briefed on the Wed/Thu/Fri. BUT most importantly remember to bring your Xmas Decorations and Xmas cloths. After the feast the "Belly Dancing" begins. Ahhh what fun

*The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends !!! Mmmmmm Crikee*

**Social Committee:** At the May meeting the Committee of Management discussed the role of Social Director and in particular Social Committee members. After nine months of operation the committee agreed that our clubs structure does not have sufficient work/involvement to require a large social committee. It was considered that a more realistic approach would be to have a Social Director and two Assistants then request members to volunteer to assist when needed. This new structure will commence following the September AGM

## **FOR SALE**

### **Millard Caravan 17'6 x 7'6,**

Excellent condition, double Island bed, elevated fridge, micro oven, large table, porta pottie, wind up antenna, near new roll out awning with annex, 1500kilos total weight, complete with towing aids, galvanized chassis, crockery and implements included \$18500 Ph **Ken Reynolds 0415 606726**
