## **Social Director's Report**

It has been fun doing this job over the years and it's surprising how many people you get to know that you may not have got to know before.

Also, a big thank you to everyone who helped at Swansea and throughout my time as Social Director.

Janis Treacy

**Editor's Report –**

Thank you to everyone who has forwarded articles for the newsletter. It has been hard over the last few months but with little bits from members I have been able to put out the newsletter.

**Vice President's Report – Nothing to Report**

**NSW State Council Report –**

The State Association's website has a new administrator (Garry Fitzgerald) and will be reformatted in the not too distant future.

The national rally committee is a little concerned that the Western Australian government will not open the state border in time for the WA members to attend the rally. If it looks like the WA members are unable to attend the rally then it will be delayed until October.

Some of the details for the 2025 National Rally have been decided. There will only be 400 powered sites available, the fees will be \$550 per van. There will be around 100 unpowered sites, rally fees for these will be \$450.
