Carol Bickley, unfortunately had another fall when unpacking on their return from the Goulburn trip. This time she has injured her arm which will need to be treated along with her legs.

Jan joked that several members were recovering from hypothermia from the trip to Goulburn with the very low nighttime temperatures – these were tempered with the huge fires that Rod Rogers happily supervised.

Members Rep: No report

NSW Rep: Leonie Collins just a reminder that the National Rally will start next week, we have 6 members attending.

GENERAL BUSINESS:

PRESENTATION OF DISC BOWLS CERTIFICATES AND TROPHIES
Unfortunately not all winners were in attendance to receive their awards.

Next year is the 20th year since the beginning of Tuggerah Lakes Caravanners. There is a sub-committee working towards this. They have been investigating costings for a Celebratory Meal and have found pricing to be higher than would attract a lot of members. A suggestion was made to the meeting from the sub-committee that a week-long stay at Forster with a meal in that vicinity might appeal. Joan asked for a show of hands if this was an acceptable idea. A lot of those present agreed. It will be investigated.

Another suggestion from Bill McConville was that a cruise on Sydney Harbour might appeal to members. This was not as generally agreed on.

Joan thanked David and Meg Curtis for their hospitality in hosting the group who stayed at their property. Beautiful countryside with great company and huge campfire.
