Constitution: Mike Collins spoke about our Constitution. A few months ago, a Subcommittee was formed to look at our Constitution. They have made recommendations on which the TLC Committee would like further discussion. The proposed amendments will be sent out to Members in the next week or so, with discussion to be held at the July General Meeting. There will be a vote at a Special Meeting held in August at the beginning of the August General Meeting. You can obtain the current Constitution from the web page.
