Members Rep – Nothing to Report

Editor's Report –

I have a number of items for the newsletter and some that are too big to include so I will send them separately. The other thing that I want to talk about is the Truck Friendly program. If you have a two-way radio and want more information on the Truck Friendly program please contact me. This program helps not only you but it helps the truck drivers as well.

Vice President's Report –

It's been quite a while since we have had a refresher on using the defibrillator so when we go to Darlington Ian Palmer will organise an afternoon for members to attend a refresher course.

NSW State Council Report –

The only thing I have to report is a little in addition to what Fay said earlier. The company that provided the public risk insurance to the NACC advised that they were no longer providing that type of policy. There was a quick scramble to find a company who could provide a suitable policy to us at a reasonable price. The company with the best deal is one providing coverage to four wheel drive clubs. This is the reason why four wheel drive activities and training were listed in the risks covered by the policy.

General Business

Sergeant Matt Rees from Lake Macquarie Highway Patrol is attending today to give us a presentation on rules for Caravanners.

Des Cooper is having problems with his gas water heater and was wondering if anyone can help. John Oakes advised that Paul Dunne is a Plumber and Gasfitter and can be contacted on 0417 228 476.

Janis Treacy has advised that she has put a box on the counter and is collecting money for John Hunter Children's Hospital as they need supplies.

Ron Dawson is looking at getting scales for our club so we can arrange a day for members to weigh their vans.

Ron Dawson also told members about Swift ovens. Fay Thomas advised that she had sent the relevant information to Leonie Collins to include in the newsletter.

John Knight advised that he didn't know about caravan dismantlers in Charmhaven. Their address and phone number is 14 Arizona Road Charmhaven, 4394 0114.

Ian Palmer advised that he has put forward two trips. The first trip is following on from Darlington called the Black Top Coastal Run from 28 July – 4 August and will be based at Lennox Head with day trips which will be finalised at Darlington. The other trip is Black Top Opal Run heading to Lightning Ridge and will finish at TLC's Melbourne Cup Rally. More information will follow.
